

EARLY SETTLERS ELECTRIC GUIDELINES and BOOTH PRICING

In addition to booth rent, electricity is \$25.00 per outlet.

Above is the outlet you will receive if you purchase a space with electricity.

This is a standard 20volt/110watt outlet.

In addition to booth rent if you want two plug ins as pictured above, cost is \$50.00.

NO POWER STRIPS.

This is a standard 20volt/110watt per outlet.

BOOTH PRICE CLARIFICATION

	Non-Electric	Electric with 1 outlet	Additional Outlets	Electric with 220 Volt Includes fees from electrician
10X10	\$100.00	\$125.00	\$25.00	\$175.00
10X20	\$200.00	\$225.00	\$25.00	\$275.00

PLEASE READ CAREFULLY: Only one appliance per outlet. Some locations of electrical booths may require extension cords, cords must be 12 gauge not to exceed 50 feet in length (vendor must provide). **NO** ground fault breakers on trailers or RV adaptors allowed. An electrician will be on hand verifying procedures are being followed. Please be considerate and don't abuse the rules.
