

Levelland Cemetery

LEVELLAND CEMETERY

Located just south of town center and part of the Main Street corridor, the City of Levelland provides a park-like cemetery that is open to the public during daylight hours. The cemetery has three full time employees

that can assist you and your family in this difficult time. Cemetery personnel set up the needed items for graveside services and assist as needed in other areas to help you achieve the memorialization you desire.

Paying tribute to a life is a personal decision that may be based on your religious beliefs, cultural heritage, family tradition, financial considerations and personal preferences.

In order to accommodate your preferences, we offer a full range of services to commemorate life. Serenity Chapel in the Pheasant section and two portable awnings to help provide protection from inclement weather for grave side services.

Ground burial, or interment, is the most traditional form of burial. Cremation, followed by burial of the cremated remains, is another alternative. The cremated remains, commonly referred to as ashes, may be bur-

ied in the ground in designated areas of the cemetery.

The cemetery offers areas for flat markers as well as full above ground head stones.

Prices for The City of Levelland burial

Serenity Chapel

The Cemetery offers Serenity Chapel in the Pheasant section of the cemetery that can seat about 50 comfortably and offers more protection from the elements. The white brick building has an area for viewing with room for flower arrangements, and electrical plugs for any needed sound equipment. While graveside services can be provided at the burial plot with a small portable awning, Serenity Chapel offers ADA accessible, hard surface

protected area for services. There is not additional charge for either type of graveside service.

Memorials

Levelland offers opportunity at Serenity Chapel for anyone to place a memorial for their loved ones. A 12"x6" black Granite tile is offered and will be permanently attached to wall of Serenity Chapel. Please check with the Cemetery Supervisor for cost and information about the memorials.

There are designated spaces in the Cemetery that memorial benches or trees may be placed. Please ask the Cemetery Supervisor for details on these memorial opportunities.

Memorial Gardens

2009 the City of Levelland added Memorial Gardens, located at County Road and State HWY 114 in the east part of Levelland. This cemetery is all flat markers cemetery and offers an alternative site for your loved ones. Memorial Gardens Cemetery is maintained by the City of Levelland but the set up for the burial services is handled by a contractor. See the Cemetery Supervisor or Funeral Home for details.

For any questions, please contact the City of Levelland Cemetery Supervisor at the Cemetery Office located on 15th Street across from the Police Station, Cemetery Address 1500 Ave. H or City Hall at 1709 Ave. H. Contact both by phone at 806-894-0113. Fax 806-894-0119
